

Hi.... it is the Gil Family. Cher's name has changed to Chica so she can represent the Cuban in our family and since Finnegan represents the Irish in our family we will keep his name. They are doing GREAT together! Finnegan is the best protector for Chica and us.

I have attached pictures for you to see their first night with us. We will keep you updated.....

Finnegan and Cher napping (photo at left). Finnegan was rescued from the Animal Control facility. He is a Bassador—a mix of Bassett Hound and Labrador.

Cher and her friend Antoinette at their Humane Society foster home. (photo below).

Cher and her brother Sonny were found at the Grassy Hill dumpsters in February. Sonny was also adopted.

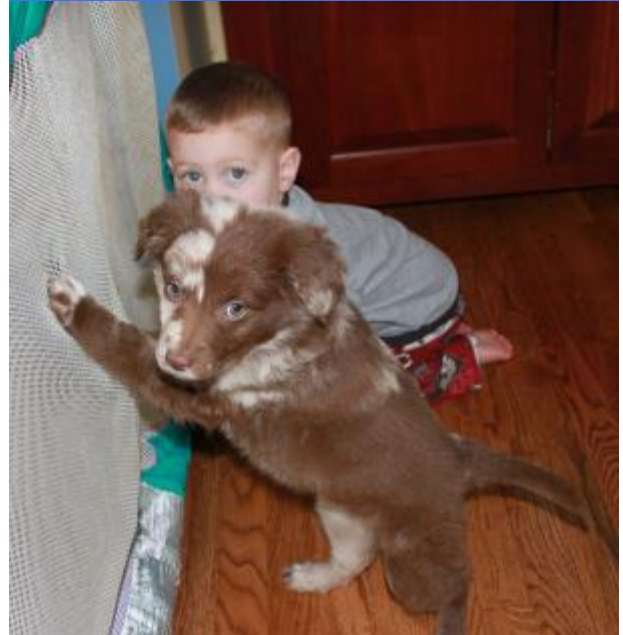

Antoinette and one of her brothers went to a Northern Virginia rescue group and then on to their new homes.

Sally and her puppies were fostered by Barb and Larry Hutson from birth to adoption of all.

Godiva (below) one of the litter o the eight "Chocolate Puppies" that we placed in wonderful homes. Most of the puppies were a chocolate merle color.

Adoption Center Director Karin Perala with Patches. Patches had a litter of puppies that we took in and we provided a spay surgery and vaccinations at our Planned Pethood Clinic .

Butch was a stray but found his forever home through the Adoption Center.

Remember **Bradley Wayne**? Well.... we decided to keep his name Bradley... but we dropped the Wayne part. I wanted to say thank you for all that you guys do! We love Bradley very much. He is incredibly sweet and makes us very happy. Here are a few photos of him. There's a few with his little "parka" on to keep him warm.

Again, Thank you! Lindsay

Note: Bradley and his 3 siblings are Miniature Schnauzers that were turned over to us by their owner. After the were groomed by staff member Charlotte Bowles, their adorable faces were visible.
