

HoneyBear/Cora

I just wanted to give you an update on the puppy that I adopted from your shelter this May. Honey Bear, now Cora, is an amazing girl. She loves water, hiking, trips to the Dog Park, car rides, toys (especially her duck), and even baths. That's right; she sits at the tub and whines to take a bath.

Her breed mixture is so beautiful and everywhere I go people comment on her gorgeousness. People are always trying to guess her breed: they tell me she looks Basenji, Jack Russell, Corgi, Akita, and everything else you can imagine. My boyfriend and I couldn't be happier with our new addition. She is a healthy and happy girl and we thank you for allowing her to enrich our lives. Thank you for all that you do for the animals in our community,
